

## AllTrails Scripts

### :60

A nature trail is more than a path. It's a place for weekend laughter, moments of quiet self-reflection, or a much-needed breath of fresh air. With AllTrails+, you can plan your next hike, ride, or run with confidence, so you can relax and enjoy the journey. Whether you're looking for a laid-back walk with family or something more adventurous to get your heart pumping, AllTrails+ gives you all the info you need in one place, so you can make the most of your time outdoors.

Quickly discover new trails near you to spend less time driving and more time on the trail with the Distance Away feature. And get immersive trail previews and 3D views so you know what to expect before your first step. Want to go where cell service can't? Download the map to keep your route on hand and never get lost, even offline. You can even get alerts if you take an unexpected turn.

There's a trail out there for everyone. Get outside today with three free months of AllTrails+. Just use code **PODCAST23** at **all trails dot com slash podcast**. That's three months free at **all trails dot com slash podcast** with code **PODCAST23**.
